– Special Invitation –

Suburban Hearing Aid Center is pleased to announce that our Pennsburg location will be demonstrating the most advanced products in the Digital Hearing Health Care Industry to date. In fact, we will be one of the first practices to display the newest hearing device technology in our area, featuring the ReSound Key hearing aid! Hear with your own ears using the world's only mic and receiver in the canal technology. Experience greater hearing in any environment and hear what matters with All-Access Directionality. Features include rechargeability, Bluetooth connectivity to your favorite devices, and the ability to receive live adjustments and remote fine-tuning with the ReSound Smart 3D smartphone app.

Myself, Steven Grant, HIS, along with our professional staff, will be on hand **now through October 29th**. During this special event we will be offering the following **FREE OF CHARGE**:

- Complimentary hearing evaluation and examination.
- Thorough otoscopic examination. You may just have wax in the ear!
- Live demonstration of the MOST RECENT Digital Hearing Systems from ReSound. These fantastic new technologies are the best I have seen in my history in the industry for more natural hearing.
- If you currently wear hearing instruments, they will be cleaned and inspected at no charge during your office visit.

This special event is for a limited time only! We are sending this invitation to a select few of our neighbors. Please call early to make an appointment for the date of your choice. Appointments will go fast! Be sure to bring a family member or loved one - someone whose voice is familiar to you and who you communicate with the most.

*As our way of saying “THANKS” for stopping by and allowing us to introduce these new devices to you, you will receive a Weis Markets Gift Card, ABSOLUTELY FREE!**

Contact our appointment desk today - RSVP by calling **(215) 712-1700**. Appointments are limited and remember there is no cost for these services during this limited-time event!

Sincerely,

Steven Grant
